PRINCIPAL AND VICE-PRINCIPAL

Mr. Charles E. Phillips

To The Class of 1965

The high school education you complete this year is not only of great value to each of you personally, but also of vital importance to your nation. At no time in our history has there been a greater appreciation of the importance of education. The best contribution you can make to society and yourself is to serve this nation and the cause of freedom to the end that confidence is restored in ourselves and in men everywhere who want to be free. Remember that progress in achieving worthwhile goals, at any time, is an uphill fight to the end.

As you graduate from Delaware Valley Regional, accept the challenge of life, and may you be instilled with a passion for the very best in fulfilling whatever may be your role in life.

You have established a good beginning with the completion of high school requirements; I urge you to assume the obligations of the future with a willing heart and an earnest mind. My best wishes for success are extended to each of you, the Class of 1965.

Charles E. Phillips

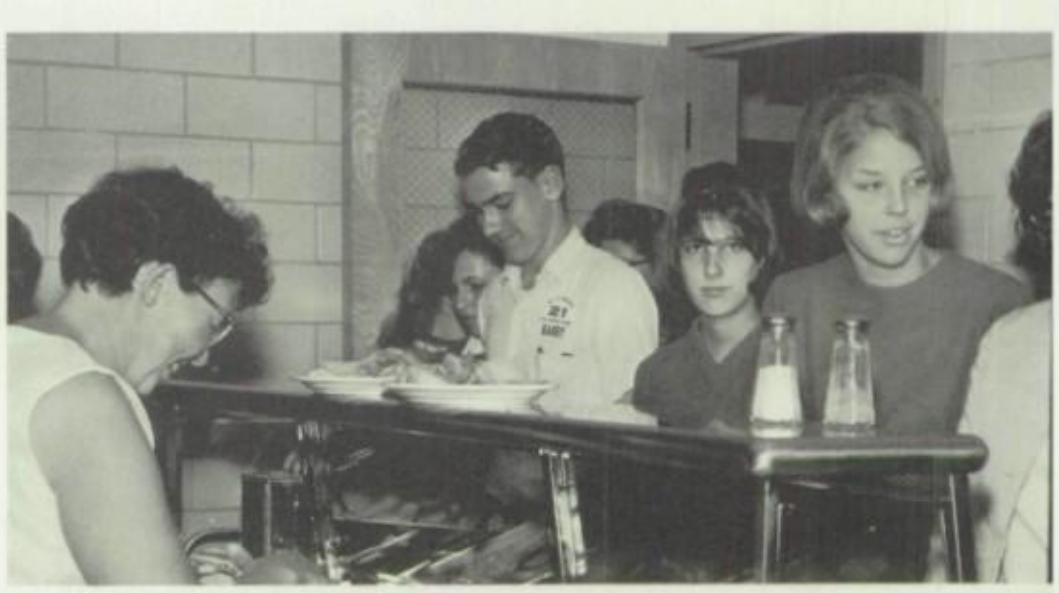
Well, hello there!



Hey! Wait a minute!

Did I hear the word "Gossip?"

The "Thinker"

Last fall we received a new student at D.V.R., Gabriella Anquita from Curacautin, Chile. Gaby studied English for six years at the Colegio Santa Cruz. She also speaks French. She has been living with Mr. and Mrs. Chester Weatherford and their daughter, Barbara, on Everittstown Hill. The experiences and friendships we have shared with Gaby will long be remembered by all of us.

In the fall, who strikes up the marching band for the football games? All year, who gives us music for our assemblies? Who makes our Easter Program more spiritual and meaningful? Who plans our whole Washington trip? And who provides music for the Seniors on graduation night? Who is the man who does all this to make our year more eventful. "WHY OUR OWN MUSIC MAN, MR. ELPEDIO PETTI-NELLI."
